MINISTRY OF ECONOMIC AFFAIRS
ROYAL GOVERNMENT OF BHUTAN
THIMPHU

SECRETARY

MoEA/SEC/Misc/80/2020/18

March 6, 2020

Press Release

With the announcement of a confirmed COVID-19 case in the country and necessary precautions being taken by the Royal Government, the Ministry of Economic Affairs would like to inform the general public that the Ministry is taking all necessary measures to ensure businesses continues as usual and supplies are not disrupted. While the general public are urged to take precautionary measures such as personal hygiene and avoid any large public gatherings, there is no necessary need to start buying large quantities of goods other than what is required on a daily basis as supplies will continue uninterrupted.

The Ministry reassures everyone that there will be adequate stock and supply of fuel, gas, essential commodities, basic necessities and other goods.

Issued in the interest of general public.
