

## Unlocking phase two (September 4-6) (In addition to the earlier relaxations)

- ✓ Movement of public transports within the districts **starting 5am tomorrow.**
  - ✓ All public transports, including taxis and buses, must carry **only 50 percent of the capacity.**
  - ✓ Local authorities and taskforces will continue to facilitate transfer of stranded passengers as per the existing practice.
  - ✓ Movement of raw materials to construction sites allowed but only in public transports.
  - ✓ Hardware shops and automobile workshops open, in addition to earlier essential shops.

*The government would like to remind everyone to refrain from going out, if possible. Those who have considered reopening businesses should ensure all individuals visiting their entities follow COVID-19 protocols, particularly wearing masks and maintaining distance.*
