- The curfew will remain in force in Colombo, Gampaha, Kalutara and Puttalam districts until further notice,
- In other districts it will be in effect from today (04) to Wednesday, May 06, from 8.00 pm to 5.00 am. The curfew will be enforced in these districts on Wednesday, May 06 at 8.00 pm and will remain in force till 5.00 am on Monday, May 11.

02. When will the normalization of normal life and corporate activities begin with the implementation of the

- · Normalization of curfew in Colombo, Gampaha, Kalutara and Puttalam districts will begin on Monday, May 11.
- Although the program was originally scheduled to start today (04), it has been postponed to May 11 due to the 04week holiday this week.

03. How will the initial tasks of bringing normal life back to normal take place ?

- Public and private sector companies in Colombo, Gampaha, Kalutara and Puttalam districts should be open from Monday, May 11.
- · Company leaders have now been notified to plan first for this.
- · Company leaders must ensure that companies fully adhere to the recommended health guidelines for controlling the corona virus when opening and carrying out tasks.
- Private sector companies have been ordered to open at 10.00 am.
- · Company leaders can determine the number of employees called for service in public and private sector companies.
- · Buses and trains owned by the Transport Board are restricted to those traveling in the public and private sector for passenger transport.

O4. For what purposes will permission be granted to leave the house while the curfew law is in force ?

- · People other than those who have to socialize for compulsory service are asked to stay at home to co-operate in the relief of the disease.
- · Leaving home is only for the purchase of essential items such as food and medicine.

5. For which areas is the permit issued to leave the house in accordance with the final digits of the National Identity Card ? When first ?

- · Only for areas where curfew law is in force.
- May 11 from Monday
- · It is not appropriate in the work of relaxing the curfew law

Despite the relaxation of the curfew, the government expects people to follow the above instructions and avoid gathering unnecessarily.

While curfews are in place, the main purpose of these arrangements is to control the gathering of people to prevent the spread of the virus, with the task of restoring economic and normal life to normalcy.

There are no changes to the terms and conditions contained in the above notices regarding the above program.
