“For efficient & effective containment of COVID 19”

DAT/COVID 19/2020/-01/01

August 17, 2020

PUBLIC NOTIFICATION

With experience from the last few days observation during lockdown, Dzongkhag Task Force Committee has devised following strategies to streamline for effective and efficient service delivery with minimal movement. Solutions to the following observations are instituted for better coordination and collaboration:

1. Delivery frequency is too rampant (too much movement for vehicles/personals for effective lockdown). This is because delivery orders are small and too frequent from the public. Public requests to make/stock sufficient quantities to last for 3-4 weeks/ month.
2. From this coming week- there will be *NO DELIVERY SERVICE on Tuesday and Saturday. (However, replenishing of stocks/medical emergencies will continue as usual)*
3. At all times, please ensure no physical contacts, keep safe distance and use protective gears at all times during delivery and service provision!
4. Be safe - Stay within your confinement - Exercise -Meditate - & do something useful - seek opportunities provided by the lockdown!

Requesting all public and stakeholders to cooperate in keeping Trongsa safe.

HELP US TO PROTECT & SERVE YOU BETTER!
