PMO, Bhutan 

The C1 megazone is being cleared for more relaxation today, as the mass screening did not detect presence of disease in the community.

More than 7,500 tests were carried out in the zones of Zilukha, Motithang, Changangkha, Core town and YHS area. All shops and business entities can open in this megazone until 5pm today.

Movement of light vehicles (odd number today) is also allowed but within the megazone, until further notice.

Meanwhile, the National Taskforce is meeting today to finalise the unlocking of Thimphu and the way forward as the nation continues to battle the pandemic. We will make an announcement tonight.
