DZONGKHAG ADMINISTRATION, SAMTSE

"A prosperous community living in harmony with diverse culture and safe environment"

SDA/COVID19/Notification/2019-2020/0017

4th May 2020

NOTIFICATION

In effort to contain and curb the spread of COVID-19 pandemic among the citizens of Bhutan, the Royal Government of Bhutan has developed the contact tracing app called "Druk Trace" for both android and iOS users.

Therefore, the Dzongkhag Administration would like to urge every shop owners, Taxis and Buses, Lhakhangs and public offices should have QR code generated and pasted in the entrance to record the details of visitors and passengers.

Similarly, all individuals are mandated to use the "Druk Trace" app to scan the QR code every time you enter these public places or use public transportation.

Please visit www.moh.gov.bt/druk-trace-app/ or <http://samtse.gov.bt/announcements/druk-trace-app> for the instruction on how to use the app.

This letter is issued based on letter of cabinet secretary C-4/2020549 dated on 19/04/2020.

Therefore, we look forward to adhere to this notification.
