Construction	Construction activities are allowed to resume. However, activities must be limited within the premises, workers must live at the site, and their ration and essentials should be provided for. However, transport of raw materials to worksite will not be allowed.	Hardware shops and automobile workshops shall be opened. However transport of raw materials to worksite if required at all, will be allowed only in Taxis.	Transport of raw materials to worksites will be allowed using private vehicles
Schools and Institutions	All schools and institutions will remain closed until further notice.		

Although you are allowed to move out of your house and walk around in the town, the Taskforce would still like to request you to refrain from doing so unless it is unavoidable. Remember that staying home is the most effective way to keep yourself safe from the virus. We request you to wear facemasks, wash hands, maintain physical distance, avoid gatherings, and scan Druk Trace QR code while visiting shops and offices. Business entities are requested to strictly observe the protocols stipulated above. We look forward to your cooperation as we move on with the new normal.
