

Ministry of Health, Royal Government of Bhutan

April 20, 2020

The government has developed contact tracing app called "Druk Trace" mobile app.

The app is to be used for "Contact Tracing" by helping with the identification of people who may have come in direct contact with a COVID-19 infected person while visiting public places or while using public transportation.

Therefore in order to prevent local transmission of the virus in the country, every office, business entity, public transport (taxis and buses) are required to publicly display a QR code generated from the Druk Trace App.

Similarly all individuals are mandated to use the Druk Trace app to scan the QR code every time they enter these public places or use public transportation. Those who do not have smartphones will be required to provide contact information to be filled in the log files that are to be managed by the respective offices and drivers.

You can download the Druk Trace app from the Health Ministry website (www.moh.gov.bt) and Cabinet Website (www.cabinet.gov.bt) for Android phones for now. The app will be available soon in Google Play Store and iPhones App Store.

How to use the Druk Trace app for Place/Office/Public Transport Drivers/:

1. Download and install the App from www.moh.gov.bt
2. Register your entity
3. Print the QR code and stick it at the entrance.
4. Ensure all the visitors scan the QR code using the Druk Trace App.

How to use the Druk Trace app for Individual's visiting public place/office or traveling in public transport :

1. Download and install the App from www.moh.gov.bt
2. Register
3. Use the Druk Trace App to scan the QR codes

The QR code generated should be pasted in all the entry/exit points in your respective organization for easy scanning.

The App was initiated at the following institutions today:

Dodena Buddhist University
Financial Institutions Training Institute
Department of Youth and Sports, Ministry of Education

We urge all offices, public institutions and public transports to kindly do the same.

Prime Minister's Office - PMO, Bhutan Sowa Lyonpo
