Outbound travel

**Note!**

Until 20.3.21, outbound air travel will be allowed for [exceptions](#) only and after receiving an exit clearance from the Exceptions Committee. These restrictions do not apply to foreign nationals who are currently in Israel, or to people who have vaccination or recovery certificates from Israel Ministry of Health.

[Submit an application to exit Israel to the Exceptions Committee](#)

All outbound passengers who stay in Israel longer than 72 hours must present airline staff with negative COVID-19 PCR test results taken within 72 hours prior to the due time of departure. This does not apply to people who have Israeli vaccination or recovery certificates.

Before air travel

- You must apply for an exit clearance from the [Exceptions Committee](#). Foreign nationals who are presently in Israel, people with [vaccination or recovery certificates from the Israeli Ministry of Health](#) do not need such a clearance.
- A COVID-19 PCR test must be taken within 72 hours prior to the scheduled departure time. This does not apply to holders of Israeli vaccination or recovery certificates.
- You must submit [an online outbound passenger statement form](#) (which includes a personal information form and a health declaration) within 24 hours before the scheduled time of departure.
- Passengers must print out the clearance and take it to the airport to show it to the relevant officials. Passengers must keep the clearance until arriving in destination.
- You can schedule an appointment to get tested for international travel at your own expense with one of the medical centers that offer coronavirus testing, [see further information](#).
- Passengers who are not sure if they are required to go into isolation or passengers who are required to go into isolation and were refused boarding are advised [to check their travel compliance with the Population and Immigration Authority](#). If a passenger is a confirmed case or is required to go into isolation, boarding will be denied under penalty of law.

Entry to airport

- Entry to airport will be allowed only to those who present a valid plane ticket and clearance issued by Israel Ministry of Health.
- Body temperature will be screened before entering airport premises.
- Entry to airport premises will be granted to passengers only (exceptions apply).
- People with symptoms such as fever, shortness of breath, or loss of taste and smell will not be allowed to enter the airport premises.

Guidance before, during and after air travel

- Outbound passengers will be checked whether they are on the list of confirmed cases or people who must go into isolation. If an outbound passenger is found to be on the list of confirmed cases or people who must go into isolation, boarding will be denied under penalty of law.
- Travelers must wear a facemask that covers the nose and mouth at the airport (ages 7 years and older), and on board the aircraft (ages 6 years and older).
- Passengers must stay at least 2 meters from people who are not same household members.
- Passengers must practice hygiene, which includes washing hands with sanitizers.
- Passengers must present their boarding pass and clearance to airline staff.
- Passengers who recovered from Covid-19 must present a doctor-certified recovery confirmation whenever asked to.
- COVID-19 vaccinated passengers must present a vaccination certificate whenever asked to.

Have a pleasant flight!
