As part of the measures envisaged by the government to prevent the spread of the coronavirus epidemic, the following additional measures have been taken:

1. The closure for two weeks, from this Friday March 20, 2020 at midnight of all land borders of our country to passengers. This measure does not apply to the movement of goods.
2. The closure of certain towns, in particular Lomé, Tsévié, Kpalimé and Sokodé, from Saturday March 21, 2020 at 6 a.m., with strict controls at the entrances at Tsévié on the national road N ° 1; from the Aného toll on the national road N ° 2 and from Amoussou-Copé on the national road N ° 5.
3. The prohibition until further notice of frequentation by any person of the beach all along the coast.

4. The month-long closure of places of worship, churches and mosques, as of Saturday March 21, 2020 at 6 a.m.
5. The immediate closure of all public, private and denominational, primary, secondary and university schools for a period of three (03) weeks.
6. Funerals and burials should not involve more than 15 people, until further notice.
7. All vendors in the markets will need to wear protective masks.
8. Mass cultural and sporting activities are suspended until further notice.
9. The immediate closure of nightclubs throughout the national territory.

The Government invites the population to be more careful in public places and during social activities, in particular to respect the recommended hygiene measures and to limit unnecessary travel.

It calls on everyone's understanding, civility and sense of responsibility for the effective implementation of all these measures.

Anyone who violates these measures is liable to severe penalties.
