PUBLIC NOTICE

Freetown, Tuesday 23rd February 2021

This is to inform the general public that the 90 minutes restriction on congregational worship is lifted effective immediately.

Churches and mosques can now return to their normal services, but must adhere to the Infection Prevention and Control (IPC) protocols, including mandatory wearing of face masks, hand washing, safe distancing, and regular disinfection.

Churches engaging in whole-night prayers are reminded of the nationwide curfew (midnight to 5:00 AM) and must ensure that everybody attending the event remains within the confines of the church. The curfew is being strictly enforced.
