Hon Chris Hipkins,

**Explanatory note**

*This note is not part of the notice, but is intended to indicate its general effect.*

This notice amends the COVID-19 Public Health Response (Exemptions and Conditions for Quarantine-free Travel) Notice 2021 (the **principal notice**). It comes into force at 11.59 pm on 19 July 2021.

The principal notice exempts a person who arrives in New Zealand on an aircraft undertaking a quarantine-free travel flight (a **QFT flight**) from the requirement in the COVID-19 Public Health Response (Air Border) Order (No 2) 2020 for isolation or quarantine after that arrival. The exemption is subject to certain conditions.

One condition is that a person has not been in—

- the State of New South Wales at or after 10.30 pm on 26 June 2021 (New Zealand time); or
- the State of Victoria at or after 1.59 am on 16 July 2021 (New Zealand time).

**COVID-19 Public Health Response (Exemptions and  
Conditions for Quarantine-free Travel) Amendment  
Notice (No 12) 2021**

Explanatory note

Version as at  
27 February 2022

---

This notice enables a person who was in New South Wales or Victoria at or after the specified time to return on a QFT flight, provided that they have not been in either State within the 14-day period before the scheduled departure of their QFT flight (and they comply with the other applicable conditions in the principal notice).

This notice also replaces clause 10A(3)(c) of the principal notice so that the condition in clause 10A (which relates to pre-departure testing) does not apply to a person if Norfolk Island is the only place in Australia where they have been in the 14-day period before the scheduled departure of their QFT flight.

Issued under the authority of the Legislation Act 2019.

Date of notification in *Gazette*: 19 July 2021.
