Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice amends the COVID-19 Public Health Response (Exemptions and Conditions for Quarantine-free Travel) Notice 2021 (the **principal notice**). It comes into force at 11.59 pm on 31 May 2021 and applies only in relation to a QFT flight that departs at or after that time.

The principal notice exempts a person who arrives in New Zealand on an aircraft undertaking a quarantine-free travel flight (or QFT flight) from the requirement in the COVID-19 Public Health Response (Air Border) Order (No 2) 2020 for isolation or quarantine after arrival in New Zealand. The exemption is subject to a number of conditions, including that the person has not been in the State of Victoria, Australia at or after 7.59 pm on 25 May 2021 (New Zealand time).

This notice imposes an additional condition applying to a person who has been in the State of Victoria before that time. The condition is that, before the person boarded the aircraft, a statement was made by the person, or on their behalf, that they have evidence of a qualifying pre-departure test if they have been in that State at any time—

- (a) after 11.59 pm on 19 May 2021 (New Zealand time); and
- (b) before 7.59 pm on 25 May 2021 (New Zealand time).

Issued under the authority of the Legislation Act 2019.
Date of notification in *Gazette*: 28 May 2021.
