Decree 417/2021, of December 15, 2021

Decree 417/2021, of 15-12-2021, amending Decree 406/2021, of 7-12-2021, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus .

Statement of reasons

The indicators of the epidemiological situation caused by COVID-19 in Andorra and its surroundings remain high. However, the measures relating to capacity in public transport are modified exclusively for types of transport that have a passenger register, which are allowed to increase capacity up to 100%.

This new measure modifies [Decree 406/2021](#) , of December 7, which is expected to be in force until next December 22.

For everything that has been presented, at the proposal of the Minister of Health, the Government, in the session of December 15, 2021, approves this Decree with the following content:

Single item. Modification of article 21 of Decree 406/2021, of 12-7-2021

Article 21 of [Decree 406/2021](#) , of 7-12-2021, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus, is amended, which is written as follows:

"Article 21. Public transport

1. The maximum capacity of regular national public transport vehicles for urban, interurban and parish travelers is limited, which remains at 70%.
2. As for the other types of passenger transport, as long as there is a passenger register, the maximum capacity can be increased up to 100%.
3. General hygiene measures:
 - a) Public transport vehicles must be equipped with hydroalcoholic gel in the front and the back, at least.
 - b) It is necessary to promote that people travel sitting down.
 - c) Vehicles must be thoroughly cleaned and disinfected after each journey.

d) It is necessary to delimit, by means of markings on the floor, the zones for traveling upright.”

Final provision

This Decree enters into force on December 16, 2021.

Which is made public for general knowledge.
