Decree 154/2022, of April 20, 2022

Decree 154/2022, of 20-4-2022, extending [Decree 146/2022](#) , of 11-4-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV coronavirus -2.

Statement of reasons

The epidemiological and health indicators have been showing an improvement in the evolution of the pandemic which has allowed the latest relaxations of the planned measures, which have been practically reduced to the protection of the most vulnerable. The stability of these data currently advises extending them.

The Government's intervention is based on the provisions of the General Health Law, of March 20, 1989, and of Law 30/2018, of December 6, classified as public security, in the terms established by Law 19 /2020, of December 23, which modified them.

In this context, the extension is established, until April 27, 2022, of the measures adopted by [Decree 146/2022](#) , of 11-4-2022, of new exceptional measures due to the evolution of the situation of health emergency caused by the SARS-CoV-2 coronavirus, although it may change depending on the evolution of the pandemic.

For everything that has been presented, at the proposal of the Minister of Health, the Government, in the session of April 20, 2022, approves this Decree with the following content:

Single item. Extension of exceptional measures

[Decree 146/2022](#) , of 11-4-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus, is extended until April 27, 2022 .

Final provision

This Decree enters into force on April 21, 2022.

Which is made public for general knowledge.
