Decree 192/2022, of May 11, 2022

Decree 192/2022, of 11-5-2022, extending [Decree 182/2022](#) , of 4-5-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV coronavirus -2.

Statement of reasons

The data relating to the number of infections remain stable and far from putting the health system at risk. The current measures, which focus specifically on protecting the most vulnerable people, are adequate and should therefore be maintained.

The Government's intervention is based on the provisions of the General Health Law, of March 20, 1989, and of Law 31/2021, of November 22, a consolidated text classified as public security.

In this context, the extension is established, until May 18, 2022, of [Decree 182/2022](#) , of 4-5-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-coronavirus CoV-2.

For everything that has been presented, at the proposal of the Minister of Health, the Government, in the session of May 11, 2022, approves this Decree with the following content:

Single item. Extension of exceptional measures

[Decree 182/2022](#) , of 4-5-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus, is extended until May 18, 2022 .

Final provision

This Decree enters into force on May 12, 2022.

Which is made public for general knowledge.
