Decree 271/2022, of 29-6-2022, extending [Decree 260/2022](#) , of 22-6-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus .

### Statement of reasons

Currently, the data relating to the number of infections are far from putting the health system at risk. However, it is necessary to be cautious and it is considered that the measures established in last week's Decree are the most appropriate to protect the most vulnerable people due to age or risk factors, and therefore the need to maintain -one more week.

The Government's intervention is based on the current provisions of the General Health Law, of March 20, 1989, and of Law 31/2021, of November 22, a consolidated text classified as public security.

In this context, the extension is established, until July 6, 2022, of [Decree 260/2022](#) , of 22-6-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-coronavirus CoV-2.

For everything that has been presented, at the proposal of the Minister of Health, the Government, in the session of June 29, 2022, approves this Decree with the following content:

Single item. Extension of exceptional measures

[Decree 260/2022](#) , of 22-6-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus, is extended until July 6, 2022 .
