General provisions

§ 1. 1. For the purposes of this Regulation, a mask of protection class FFP2 (FFP2 mask) without an exhalation valve or a mask of at least equivalent standard shall mean a mask of at least equivalent standard.

2. For the purposes of this Regulation, the following shall be considered as evidence of a low epidemiological risk within the meaning of this Regulation:

1. proof
 - a) a negative result of a SARS-CoV-2 antigen test for self-testing recorded in an official data processing system and not more than 24 hours ago,
 - b) an authorised body about a negative result of an antigen test for SARS-CoV-2, the acceptance of which must not have taken more than 24 hours ago,
 - c) an authorised body on a negative result of a molecular biological test for SARS-CoV-2, the acceptance of which must not have been more than 72 hours ago,
 - d) in accordance with § 4 no. 1 of the COVID-19 School Ordinance 2021/22 (C-SchVO 2021/22), [Federal Law Gazette II No. 374/2021](#) (Corona Test Pass),
2. evidence of a centrally approved vaccine against COVID-19
 - a) second vaccination, which must not have been more than 360 days ago and must have elapsed at least 14 days between the first and second vaccination, or
 - b) vaccination from the 22nd day following vaccination for vaccines for which only one vaccination is provided, which must not be more than 270 days ago, or
 - c) vaccination, provided that there is a positive molecular biological test for SARS-CoV-2 at least 21 days before vaccination or evidence of neutralising antibodies prior to vaccination, provided that the vaccination was not more than 360 days ago, or
 - d) further vaccination, whereby this must not have been more than 360 days ago and at least 120 days must have elapsed between this and a vaccination within the meaning of lit. a, b or c,
3. evidence of recovery from an infection with SARS-CoV-2 survived in the last 180 days or a medical confirmation of an infection with SARS-CoV-2 that has been confirmed by molecular biology in the last 180 days,
4. evidence of neutralising antibodies not older than 90 days,
5. a segregation notice if it was issued to a person demonstrably infected with SARS-CoV-2 in the last 180 days prior to the intended testing.

If proof cannot be submitted, a SARS-CoV-2 antigen test for self-testing under the supervision of the operator of a permanent establishment in accordance with §§ 4 to 6, a non-public sports facility in accordance with § 7, a leisure facility in accordance with § 8, an old people's and nursing home or an inpatient residential facility of the disabled assistance (§ 10), a hospital, a health resort or any other place where a health service is provided (§ 11) or for a Meeting of those responsible (§§ 12 to 16). The negative test result must be kept ready for the duration of the stay.

(3) Evidence pursuant to paragraph 2 must be submitted in Latin script in German or English or in the form of a certificate in accordance with § 4b (1) of the Epidemic Act 1950 (EpiG), [Federal Law Gazette No. 186/1950](#).

4. Where this Regulation provides for evidence in accordance with paragraph 2, the holder of a permanent establishment, the person responsible for a specific place or the person responsible for a meeting shall be authorised to identify the following personal data of the data subject:

1. Name
2. Date of birth
3. validity or period of validity of the proof and
4. Barcode or QR code.

In addition, he is entitled to determine data for the purpose of establishing identity. With the exception of the collection of contact data in accordance with § 17, any duplication or storage of the evidence and the personal data contained in the evidence is just as inadmissible as the processing of the data collected in the context of identity verification. This also applies *mutatis mutandis* to certificates pursuant to § 4b (1) EpiG.

5. Where a COVID-19 prevention approach is prescribed in this Regulation, a state of the art approach to minimise the risk of infection with SARS-CoV-2 shall be developed and implemented. The COVID-19 prevention concept must include in particular:

1. specific hygiene measures,
2. regulations on behaviour in the event of the occurrence of SARS-CoV-2 infection,
3. regulations concerning the use of sanitary facilities,
4. where applicable, regulations concerning the consumption of food and beverages,
5. Regulations for the control of the flow of persons and regulation of the number of persons,
6. regulations concerning equalisation measures, such as barriers and ground markings,
7. Requirements for training employees on hygiene measures and supervising the performance of a SARS-CoV-2 antigen test for self-testing.

(6) Only suitable persons may be appointed as COVID-19 officers. A prerequisite for such suitability is at least knowledge of the COVID-19 prevention concept as well as the local conditions and organizational processes. The COVID-19 officer is the contact person for the authorities and has to supervise the implementation of the COVID-19 prevention concept.

 - e) Means of mass transport.

Tourist accommodation establishments

§ 6. (1) Accommodation establishments are accommodation establishments which are under the direction or supervision of the accommodation provider or an agent of this accommodation and are intended for the paid or free accommodation of guests for temporary stay. Supervised camping or caravan pitches, shelters and cabin cabins are also considered accommodation facilities.

(2) The operator may only admit guests to accommodation establishments when they enter for the first time if they provide proof in accordance with § 1 (2). The guest must keep this proof ready for the duration of the stay.

(3) For entering

1. § 5 applies mutatis mutandis to gastronomic establishments in accommodation establishments;
2. Sports facilities in accommodation establishments are subject to § 7 mutatis mutandis;
3. Leisure facilities in accommodation establishments § 8 applies mutatis mutandis.

(4) The operator must appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept.

Sports facilities

§ 7. (1) Entering sports facilities in accordance with § 3 no. 11 of the Federal Sports Promotion Act 2017 – BSFG 2017, [Federal Law Gazette I No. 100/2017](#), for the purpose of practicing sports is only permitted under the conditions specified in this provision.

(2) The operator of non-public sports facilities may only admit customers if they provide proof in accordance with § 1 (2). The customer must keep this proof ready for the duration of the stay.

(3) The operator of non-public sports facilities shall appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept.

(4) In the case of sports practice by top athletes in accordance with § 3 Z 6 BSFG 2017, the responsible doctor must develop a COVID-19 prevention concept and monitor its compliance on an ongoing basis. Proof must be submitted in accordance with § 1 (2) before the training and competition operations start for the first time. Proof pursuant to § 1 (2) no. 2 to 5 must be kept available for the respective period of validity. If proof is presented in accordance with § 1 para. 2 no. 1, it must be renewed every seven days and kept available for a period of seven days. In the event of a positive test result, it is nevertheless permissible to enter sports facilities if:

1. at least 48 hours of absence of symptoms after expired infection, and
2. on the basis of the medical laboratory findings, in particular on the basis of a CT value >30, it can be assumed that there is no longer a risk of infection.

If a SARS-CoV-2 infection becomes known in an athlete, caregiver or trainer, all athletes, caregivers and coaches must be subjected to molecular biological testing or an antigen test for the presence of SARS-CoV-2 infection before each competition in the following fourteen days after the infection becomes known.

(5) The COVID-19 prevention concept pursuant to paragraph 4 shall contain, in addition to Paragraph 1(5):

1. requirements for the training of athletes, supervisors and trainers in hygiene as well as for the obligation to keep records of the state of health,
2. Rules of conduct for athletes, coaches and coaches outside training and competition times,
3. Requirements for health checks before each training and competition,
4. Specifications for training and competition infrastructure,
5. Hygiene and cleaning plan for infrastructure and materials,
6. Requirements for the traceability of contacts in the context of trainings and competitions,
7. in the case of away competitions, requirements for the information of the responsible district administrative authority there, if a SARS-CoV-2 infection has occurred in an athlete, coach or coach in the epidemiologically relevant period thereafter.

Leisure and cultural facilities

§ 8. (1) Leisure facilities are establishments and facilities that serve the entertainment, amusement or recreation. Leisure facilities are in particular

1. fairground establishments, leisure and amusement parks,
2. Baths and facilities in accordance with § 1 para. 1 no. 1 to 7 of the Bathing Hygiene Act (BHygG), [Federal Law Gazette No. 254/1976](#); with regard to baths pursuant to § 1 para. 1 no. 6 BHygG (baths on surface waters), § 2 applies mutatis mutandis if bathing is not carried out in these baths,

1. owners, operators and employees with direct customer contact,
2. persons who are active in party relations in administrative authorities and administrative courts,

are only entered if they wear a mask during customer contact and party traffic in enclosed spaces, unless the risk of infection is minimized by other appropriate protective measures.

(1a) With regard to permanent establishments not covered by § 4, paragraph 1 shall not apply to owners, operators and employees with direct customer contact if they provide proof in accordance with § 1 (2) no. 1 to 5.

(1b) With regard to permanent establishments covered by Paragraph 4(1a), paragraph 1 shall not apply to owners, operators and employees with direct customer contact if they provide evidence in accordance with Paragraph 1(2)(2), (3) or (5).

2. The obligation to wear a mask in accordance with paragraph 1 shall not apply if:

1. the persons referred to in paragraph 1 no. 1 and 2 have proof in accordance with § 1 para. 2 no. 1 to 5 and
2. Customers or parties a proof according to § 1 Abs. 2

(3) Paragraph 1 also applies to entering external workplaces in accordance with § 2 (3), last sentence of the Employee Protection Act (ASchG), [Federal Law Gazette No. 450/1994](#), whereby providers of mobile care and support services may only enter them if they additionally provide proof in accordance with § 1 (2). If proof is submitted in accordance with § 1 para. 2 no. 1, it must be renewed every seven days. In addition, providers of mobile care and support services must wear a close-fitting mechanical protective device covering the mouth and nose area when in contact with customers in enclosed spaces. If the proof provided has exceeded the validity according to § 1 Abs. 2, a Corona SARS-CoV-2 pandemic respirator (CPA) or a mask must be worn.

(4) The owner of a place of work with more than 51 employees shall appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept.

(5) With regard to the wearing of a mask and the submission of evidence of a low epidemiological risk, more stringent rules may be provided for in justified cases beyond this Regulation.

Old people's and nursing homes as well as inpatient residential facilities for the disabled

§ 10. (1) The entry of old people's and nursing homes as well as inpatient residential facilities of the disabled assistance by visitors and accompanying persons is only permitted under the following conditions:

1. The operator may only admit visitors and accompanying persons if they provide proof in accordance with § 1 (2). The visitor or the accompanying person must keep this proof available for the duration of the stay;
2. Visitors and accompanying persons must wear a mask throughout closed rooms, unless the risk of infection is minimized by other appropriate protective measures.

(2) Paragraph 1 shall also apply mutatis mutandis to entry by

1. external service providers,
2. Residents' representatives according to the Heimaufenthaltsgesetz (HeimAufG), [Federal Law Gazette I No. 11/2004](#),
3. Patient, disability and nursing lawyers,
4. Bodies of nursing supervision for the performance of the tasks provided for by state law and
5. (3) The entry of old people's and nursing homes as well as inpatient residential facilities of the disabled assistance by employees is only permitted under the following conditions:

1. The operator may only admit employees if they provide proof in accordance with § 1 (2). Proof pursuant to § 1 (2) no. 2 to 5 must be kept available for the respective period of validity. If proof is presented in accordance with § 1 para. 2 no. 1, it must be renewed every seven days and kept available for a period of seven days. In the event of a positive test result, admission may nevertheless take place if:
 - a) at least 48 hours of absence of symptoms after expired infection, and
 - b) on the basis of the medical laboratory findings, in particular on the basis of a CT value >30, it can be assumed that there is no longer a risk of infection.
2. In enclosed spaces, employees must wear a close-fitting mechanical protective device covering the mouth and nose area. If the proof provided has exceeded the validity in accordance with § 1 (2), a Corona SARS-CoV-2 pandemic respirator (CPA) or a mask must be worn when in contact with residents in closed rooms.

(4) The operator of old people's and nursing homes as well as inpatient residential facilities of the disabled assistance may only admit residents for new admission if they provide proof in accordance with § 1 (2) or if appropriate precautions are taken in accordance with para. 6 no. 6 and 7.

5. The operator of old people's homes and nursing homes shall offer residents an antigen test for SARS-CoV-2 or a molecular biological test for SARS-CoV-2 or molecular biological test for SARS-CoV-2 at least every three days, provided that they have left the home within that period.

(6) The operator shall appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept. In addition to § 1 (5), the COVID-19 prevention concept must include:

1. Requirements for the training of employees with regard to professional and private risk behaviour, mandatory documentation of the training,

2. Requirements for access by external service providers,
3. specific regulations for residents who cannot be expected to comply with the requirements in accordance with § 19 (6),
4. Regulations for the management of visits, in particular requirements for the duration of the visits and places of visit, mandatory advance notification and health checks before each entry into the facility, whereby deviating, specific and situation-adapted requirements can be made for relatives and persons who perform regular support and care tasks,
5. Requirements for the handling of screening programs according to § 5a EpiG,
6. regulations on the admission and readmission of residents who have tested positive for SARS-CoV-2,
7. Regulations on organizational, spatial and personnel precautions for the implementation of quarantine measures in accordance with § 7 EpiG for residents,
8. Time and organizational requirements regarding the testing of residents in accordance with paragraph 5, in particular determination of fixed dates at regular intervals.

The COVID-19 prevention concept may also include a data protection-compliant system for the traceability of contacts, such as a system for recording attendances on a voluntary basis of visitors or accompanying persons as well as external service providers.

(7) Paragraphs 3 and 4 (1a) shall apply to facilities of day care for the elderly and in the area of the disabled.

(8) The measures provided for in old people's homes and nursing homes as well as inpatient residential facilities for the disabled must not be disproportionate or lead to unreasonable cases of hardship.

Hospitals and health resorts and other places where health services are provided

§ 11. (1) Entry into hospitals or health resorts by

1. Visitors and accompanying persons and
2. Persons according to § 10 Abs. 2 Z 1 bis 3 und 5

is only permitted in accordance with § 10 (1).

(2) The entry of other places where health services are provided by patients, visitors and accompanying persons is only permitted in accordance with § 10 para. 1 no. 2.

(3) The operator may only admit employees in accordance with § 10 (3). § 10 (3) also applies mutatis mutandis to the operator. Furthermore, the operator or service provider must minimize the risk of infection by taking into account the specific circumstances by means of appropriate protective measures, insofar as this is organizationally and technically possible and reasonable.

(4) The operator of a hospital or health resort must appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept. In addition to § 1 (5), the COVID-19 prevention concept must include:

1. Requirements for the training of employees with regard to professional and private risk behaviour, mandatory documentation of the training,
2. Requirements for access by external service providers,
3. regulations for the management of visits, in particular requirements for the maximum number, frequency and duration of visits as well as places of visit and health checks before each entry into the facility, whereby specific situation-adapted requirements must be made for relatives and persons who perform regular support and care tasks,
4. Requirements for participation in screening programs according to § 5a EpiG.

The COVID-19 prevention concept may also include a data protection-compliant system for the traceability of contacts, such as a system for recording attendances on a voluntary basis of visitors or accompanying persons as well as external service providers.

Meetings

§ 12. (1) Meetings with more than 25 participants are only permitted under the condition that the person responsible for the meeting only admits the participants if they provide proof in accordance with § 1 (2). The participant must keep this proof ready for the duration of the stay.

2. Meetings with more than 100 participants shall be permitted only under the following conditions:

1. The person responsible for the meeting must notify the meeting to the locally responsible district administrative authority at least one week in advance. The following information shall be provided:
 - a) name and contact details (telephone number, e-mail address) of the person responsible for the meeting,
 - b) time, duration and place of the meeting,
 - c) the purpose of the meeting,
 - d) Number of participants.

The notification must be made electronically to an e-mail address provided by the responsible district administrative authority or by means of a web application.

2. The person responsible for the meeting may only admit the participants if they present proof in accordance with § 1 (2). The participant must keep this proof ready for the duration of the stay.

3. Meetings with more than 500 participants shall be permitted only under the following conditions:

1. The person responsible for the meeting must obtain permission from the locally competent district administrative authority. In doing so, the information provided in para. 2 no. 1 must be provided and the prevention concept in accordance with para. 4 must be submitted. The decision period for approval is two weeks from the date of complete submission of the documents.
2. The person responsible for a meeting may only admit the participants if they present proof in accordance with § 1 (2). The participant must keep this proof ready for the duration of the stay.

(4) In the case of meetings of more than 100 persons, the person responsible for a meeting shall appoint a COVID-19 representative and develop and implement a COVID-19 prevention concept. The district administrative authority must randomly check compliance with covid-19 prevention concepts. The COVID-19 prevention concept must be kept ready for this purpose during the duration of the meeting and submitted to the district administrative authority upon request.

5. Several meetings may take place at the same time in one place, provided that appropriate measures, such as spatial or structural separation or staggered time, exclude a mixing of participants in the meetings taking place at the same time and minimise the risk of infection.

6. Paragraphs 1 to 5 shall not apply to:

1. meetings in the private residential area, with the exception of gatherings in places that do not serve to satisfy an immediate housing need, such as in particular in garages, gardens, sheds or barns;
2. Funerals;
3. Assemblies according to the Assembly Act 1953, [Federal Law Gazette No. 98/1953](#);
4. meetings for professional purposes, if they are necessary for the maintenance of professional activity;

7. Meetings according to the Labour Constitution Act – ArbVG, [Federal Law Gazette No. 22/1974](#);
8. driving in theatres, concert halls and arenas, cinemas, variety shows and cabarets, if this is done with multi-lane motor vehicles.

For meetings in accordance with no. 2 to 7 with more than 100 people, a mask must be worn in closed rooms, unless all persons present proof in accordance with § 1 (2).

(7) For meetings for rehearsals for professional purposes and for professional artistic performance in a fixed composition, the last sentence of § 7 (4) shall apply mutatis mutandis.

(8) § 12 applies to all meetings regardless of the place of the meeting. Sections 4 to 8 shall not apply provided that:

1. it is a closed group or company and
2. the place of the meeting is entered exclusively by persons of this group or company and by persons who are necessary for the holding of the meeting or by appropriate measures, such as spatial or structural separation, a mixing of the persons of this group or company with other persons residing there is excluded.

(9) Paragraph 5(1a) shall not apply in connection with meetings.

Extracurricular youth education and youth work, supervised holiday camps

§ 13. § 12 (2) to (5) and (8) applies mutatis mutandis to meetings of persons in the context of extracurricular youth education and youth work or in the context of supervised holiday camps.

Meetings in top-class sport

§ 14. (1) At meetings where only top athletes practice sports in accordance with § 3 Z 6 BSFG 2017, the person responsible for the meeting must appoint a COVID-19 representative for these persons, as well as for coaches, supervisors and other persons necessary for the implementation of the meeting and to develop and implement a COVID-19 prevention concept. § 7 (4) and (5) applies to team sports or to sports whose sport-specific practice involves physical contact. For individual sports, the COVID-19 prevention concept must contain, in addition to § 1 (5), in particular:

1. requirements for the training of athletes, supervisors and trainers in hygiene as well as for the obligation to keep records of the state of health,
2. Rules of conduct for athletes, coaches and coaches outside training and competition times,
3. Requirements for health checks before each training and competition,
4. Regulations for controlling the flows of participating athletes, coaches and coaches,
5. Hygiene and cleaning plan for infrastructure and materials,
6. Requirements for the traceability of contacts in the context of trainings and competitions,

(2) Medical care and COVID-19 testing of athletes, caregivers and coaches must help minimize the risk of infection. For supervisors, coaches and other persons who are necessary for the implementation of the meeting, § 9 also applies, for the athletes § 7 mutatis mutandis.

Trade and public fairs

§ 15. § 12 (1) to (5) apply mutatis mutandis to trade fairs and public fairs.

Casual Markets

§ 16. (1) For occasional markets or separate areas of occasional markets where not only goods, food or drinks are offered for sale, § 12 (1) to (5) shall apply mutatis mutandis.

2. For the purposes of this Regulation, occasional markets shall mean sales events which, seasonally or not regularly, bring together producers, traders, operators of hotels and restaurants or fairground establishments in a given place to sell goods, food or drink or to offer services.

3. Markets which do not take place regularly shall be those which take place at intervals greater than once a month and not for more than ten weeks.

(4) For occasional markets or separate areas of occasional markets where only goods, food or drinks are offered for sale, § 12 (4) applies.

Collection of contact data

§ 17. (1) The operator of a permanent establishment in accordance with §§ 5 and 6, a non-public sports facility in accordance with § 7, a non-public leisure facility in accordance with § 8

and the person responsible for a meeting, a trade and public fair or an occasional market in accordance with §§ 12 to 16 is obliged to inform persons who are likely to stay at the relevant location for more than 15 minutes for the purpose of contact person tracking.

1. first and last names and
